

HOW-TO: Download free songs with the Freegal Music Service

1. Go to the library's website at www.mclib.net
2. Under "E-Books and Downloads" in the top menu, choose "Freegal Music Downloads"
3. When prompted, enter your library card number.
4. If prompted, read and accept the terms and conditions of the service.
5. The counter in the top right of the page shows the remaining available downloads you have for the week.
6. Use the search box to find songs by Artist, Song, Album, or Composer.
7. Click "Advanced Search" for more search options.
8. You can preview songs in the search results by clicking the  icon next to the track name.
9. When you are ready to download, click "Download Now"
10. Open the file in your media player of choice and/or transfer it to a portable device.
